The 2007 Annual Strategic Planning Session was presented by Executive Officer Joyce Crosthwaite. She opened with personally thanking each of her staff. The accomplishments of 2006 were reviewed and the plan of work for 2007 was presented. Despite a decrease in staff, LAFCO plans to complete the required Municipal Service Reviews (MSRs) and Sphere of Influence (SOI) reviews six months prior to the statutory deadline of January 1, 2008. Plans for meeting work loads were also shared and a preliminary budget was presented for consideration. Executive Officer Crosthwaite also presented a plan to maintain control of expenses and introduced the new Performance Measurement Plan.

Executive Officer Crosthwaite stated that due to new restrictions imposed by the California Department of Fish and Game, Orange LAFCO will need to consider revising of its fee schedule in order to comply with these new requirements.

Executive Officer Crosthwaite added that Orange LAFCO continues to maintain its visibility in the community and participates as leads for local and CALAFCO workshops and activities. She concluded her presentation and recommended that the Strategic Planning Session be moved to July of each year to align more closely with the fiscal year and budget preparation.

Commissioner Moorlach requested a brief background on the activities of other state LAFCOs. Executive Officer Crosthwaite summarized the efforts and concerns of other LAFCOs.

Commissioner Moorlach requested clarification on the new restrictions imposed by California Department of Fish and Game and how it affects LAFCO. Executive Officer Crosthwaite reviewed how the new restrictions may impact the LAFCO budget and stated the impact would be addressed in revising of the LAFCO fee schedule to be considered by the Commission. **Commissioner Moorlach** asked how the Fish and Game action affected the LAFCO process. Executive Officer Crosthwaite responded that any Commission action requiring an action related to Fish and Game requirements could not be finalized until the requirements have been met. Executive Officer Crosthwaite stated that staff is currently working with CALAFCO and Fish and Game to address the issue.

Commissioner Moorlach asked for a discussion of the investment process for LAFCO funds. Executive Officer Crosthwaite indicated that this discussion would take place in March and in May during the budget process.

Commissioner Moorlach asked if LAFCO had a business plan. Executive Officer Crosthwaite indicated the Strategic Annual Plan serves as the agency's business plan.

Acting Chair Peter Herzog requested comments and questions from the public. There were no comments or questions.

10. COMMISSIONER COMMENTS

Commissioner Peter Herzog supported the recommendation to move the strategic planning sessions to the month of July to coincide with the fiscal year and budget preparation.

Commissioner Bouer agreed and stated that he was pleased about the amount of work accomplished with such a small staff and the quality of leadership provided by Executive Officer Crosthwaite.

Commissioner Moorlach inquired if LAFCO had purview over school districts and Executive Officer Crosthwaite responded that it did not. A brief discussion of school district organization ensued and it was determined that unless state law was changed, school districts are not held to local permit ordinances.

Commissioner Susan Wilson expressed her thanks for a really cohesive presentation.
